WIRE TRANSFERS	
Description	Fee
Domestic Outgoing Wire Fee	\$15.00 / Each
International Outgoing Wire Fee	\$45.00 / Each

1. You can avoid this fee by enrolling in eDocs to receive monthly statements, letters and notices electronically.
2. Fee does not apply to minor accounts nor accounts with a balance equal to or greater than \$250.00.
3. A 1.00% Foreign Transaction Fee (in U.S. dollars) is charged on all international debit and credit card transactions, except with the Signature Premier Rewards credit card.
4. Loan disclosures with late payment fee details may be found in your loan paperwork.
5. To avoid Non-Sufficient Funds or Overdraft fees, a savings account, money market account, and an overdraft line of credit can be used as protection to your checking account. You can also set up alerts, within Digital Banking, on your checking account to monitor activity. Contact us to get started.
6. \$33.00 each time an item is presented for payment and sufficient funds are not available to cover it, causing the item to not be paid.
7. Coverage Limit: Bounce Guard and Bounce Guard Plus coverage is limited to a maximum of one (1) account per individual. Individuals are determined by unique Social Security Numbers, not account numbers. Access to both services is subject to approval. All negative shares must be paid within 40 days or your account will be closed. Bounce Guard limit is \$500.00, which does not include any fees charged. Whether your overdrafts will be paid is discretionary, and we reserve the right not to pay. If we do not authorize and pay an overdraft, your transaction will be denied. There is no limit on the total fees we can charge you for overdrawing your account. Any account that remains negative by more than \$10.00 after 11:00 p.m. ET will be charged a fee of up to \$31.00 per overdraft, a maximum of two \$31.00 fees charged on a given day. These charges apply to all checks and automated ACH transactions, as well as debit and ATM transactions on checking accounts that have Bounce Guard Plus overdraft coverage.
8. To make an electronic loan payment from another financial institution, you can make a payment through Speedpay. This service is available for debit cards, automatic drafts from your checking account or ACH payments, Discover® and MasterCard® credit cards only.
